

August 2016

Dear Kindergarten Friend,

Hello, my name is Mrs. Jones and I will be your kindergarten teacher. I am so excited to meet you and spend the year learning so many wonderful new things.

When you visit the classroom for the first time you will see there are many special things we will be using to help us explore, play and learn in kindergarten. I can't wait to watch all of the wonderful things you will do throughout the year.

I have some special things planned for the first day of school. Please make sure you bring a snack and a picture of your family (one you don't mind keeping in our room for the year).

I hope you enjoy the rest of your summer, and I will see you soon!

Love,
Mrs. Jones
